Re: District/City—Boca National Golf Course (the 'Project')

Dear Mr. Mayor and Members of the City Council:

Last evening, the District Commission, in its continuing exercise of good faith, unanimously authorized and directed Commissioner Bob Rollins to meet with a delegate of the City Council, as soon as practicable, to re-open a dialogue and discussion with the City on the Ocean Breeze/Boca National Golf Course project. The intent of the District is to meet with the City's delegated member representative to address, on a mutually beneficial basis, any and all outstanding project issues, that have been the subject of several recent emails and exchanges, subject, of course to the future approval of the City and of the District of a mutually beneficial agreement.

We welcome your review and prompt response to this proposal. We remain ready, willing and committed to furthering the existing public partnership by and between the parties.

Sincerely,

Susan Vogelgesang
Chairman
